No, I haven't spoke to them yet, Josef.

Been up to other things. I am also digesting the news that you feel positive that they won't do a new deal before the sale. This means that we are reverting to the old deal, which means they take 50% of all of your licensing revenues. This substantially reduces the value of what is to be sold. I have asked Meir to look at your former projections at the old deal rates.

Hi Jeff,

I hope you had a good weekend. I am actually in NY and can stop by tomorrow morning if it would be helpful. Did you speak to Hasbro?

Josef
